### WELCOME BACK TO YET ANOTHER EXCITING YEAR IN SCOUTING

#### About this news

The idea of this monthly news-letter is to hopefully keep everyone who attends the Roundtables in-formed of the program and what is to come in future roundtables. We would like to expand on this news-letter to include Troop activities as well as District and Council upcoming events.

To have your information posted on this letter give the infor-mation to Ed Hansen or Wayne Price and we will post it on the let-ter.

To keep Costs down a bit we will try to keep this letter to one page or at least front and back.

If you wish to E-Mail your informa-tion use **Pheonix325@aol.com**.

In June when we have the end of the year BBQ we will have a full version of the Roundtable Blab to keep for future reference.
