## ← What the heck is a Boat Anchor doing on here?

Ahh good question !!! Well it is symbol for a clue, well anything dealing with boats is a clue. **A CLUE TO WHAT ?** Yet again another good question. It is a clue describing a Scouter of our District who attends our Roundtable regularly. So each month on the "Blab" if you see something related to a boat look for the clue and try to guess who it is. In June we will announce who the Scouter is and who the winner who guessed correctly is. You are allowed to guess once a month starting in **January** on who you might think it is, but you can only be wrong twice then you can not guess anymore. Guess sheets will be provided. So make sure you check out the "Blab" to gather all the clues you can. Now for the clue "This Scouter attended Onteora as a staffer more then once"

## FULL MOON INFORMATION

Every month we're treated to the site of a beautiful full moon. But did you know that each one has a name? The Native American of the Northeast used the moon to keep track of the season. Each name was given to the entire month in which that moon occurred. September is known as the "**Full Harvest Moon, Full Corn Moon, or Full Barley Moon**" This month's full moon will be September 9. Check it out !!!!!

The next chapter meeting is Sept. 17 at a new location—St. Thomas Chapel, Hempstead Ave and Nassau Blvd. W. Hempstead.

A boy, frustrated with all the rules he had to follow, asked his father, "Dad, how soon will I be old enough to do as I please?"  
The father answered immediately, "I don't know. Nobody has lived that long yet."
